## PHOTOGRAPH AND LIST THE ASSETS OF AN ESTATE

UPLOAD PHOTOS- SUBMIT TO AI QUICK LIST

Use as your home inventory for insurance, moves, downsizing, estate planning or simply cataloging collections

### ACCESS THE FAIRSPPLIT DIVISION TOOLS IF NEEDED

Share online with family or others in your private account with "specific roles"

AI Quick List Tool will name, describe, categorize and estimate value, significantly decreasing time spent creating inventory.

Determine who gets what, and what can be sold or donated

No need for time off work, travel, expensive flights, or express packets of information mailed back and forth. All information is contained in one account viewable on any device, anywhere, anytime.

All Information is organized, shared and dealt with online, so your family can use that time to better cope with whatever event has occurred.
